

BOVINE AGISTMENT AGREEMENT

THIS AGREEMENT, made this ____ day of _____, _____, by and between All Grass Farms, LLC, dba Barrington Natural Farms (Agister) and _____ (Owner).

Recitals

Agister operates dairy facilities at 18N681 Western Ave., Carpentersville, Illinois 60110 (the “Dairy Facilities”), for the holding, grazing, caring for, handling and milking of dairy cows.

Owner has an undivided interest in a herd of dairy cows (the “Herd”) and desires to board the cows constituting Owner’s undivided interest in the Herd at the Dairy Facilities.

Agister has agreed to provide care and boarding for the Herd at the Dairy Facilities for a fee; and Owner (together with the Herd Owners of all the undivided interests in the Herd, each of whom is entering into this or a similar agreement with Agister) desires to board cows constituting Owner’s undivided interest in the Herd with Agister and to have Agister pasture, care for, and milk the Herd.

NOW, THEREFORE, it is agreed as follows:

1. Definitions. In addition to other terms defined in this Agreement, for purposes of this Agreement, the words:
 - A. “Agister” shall mean the person who will pasture and control the Herd at the Dairy Facilities; feed, maintain and care for the Herd; milk the Herd; and prepare the production of the Herd for pick up by Herd Owners or their agents.
 - B. “Agistment” shall mean pasturing and controlling the Herd at the Dairy Facilities; feeding, maintaining and caring for the Herd; milking the Herd and preparing the production from the Herd for pick up by Herd Owners or their agents.
 - C. “Herd” means the dairy cows referred to in the Recital above, augmented annually by any increases (male as well as female) and replacements, and diminished annually by any decreases. The current composition of the herd is attached with this Agreement (Exhibit A).
 - D. “Herd Agreements” shall mean collectively this Agreement and all of the other substantially similar agreements signed by the owners of the remaining undivided interests in the Herd.
 - E. “Owner” shall mean the person who possesses an undivided interest in the Herd.
 - F. “Herd Owners” shall mean collectively all the owners of undivided interests in the Herd.

G. "Percentage Interest" shall mean the undivided percentage interest of Owner (or another person) in the Herd determined by dividing the total number of the Owner's (or other person's) shares in the Herd by the total number of shares authorized to be sold in the Herd.

2. Boarding Fees.

A. For boarding his/her undivided interest in the Herd, Owner shall pay to Agister a **monthly OR weekly boarding fee** based on the number of shares owned:

Shares Owned	Monthly Boarding Fee	Weekly Boarding Fee
1.0	\$45	\$12
1.5	\$65	\$18
2.0	\$85	\$24
2.5	\$105	\$30
3.0	\$125	\$35
3.5	\$145	\$40
4.0	\$160	\$45
4.5	\$175	\$50
5.0	\$190	\$55
5.5	\$205	\$60
6.0	\$220	\$65

Monthly boarding fees shall be paid by Owner to Agister on or before the first pickup day of each month. Weekly boarding fees shall be paid to Agister weekly. All fees shall be paid without invoice reminder during the time this agreement is in effect. The parties agree that the amount of the boarding fee is a fair and reasonable charge for the services and supplies to be provided by Agister to Owner under this Agreement.

B. Agister may at his discretion adjust the boarding fee upon thirty (30) day written notice to Owner to cover any increased expense of boarding and caring for the Herd.

3. Shares of Milk.

A. Owner shall be entitled to receive a percentage of the weekly milk production equal to Owner's Percentage Interest in the Herd.

B. Owner shall agree to accept their share(s) of milk either as "fresh" fluid milk product, or may arrange for their shares to be frozen for additional fees.

- C. Owner shall pickup their milk shares on the day or days scheduled by Agister in advance. If owner is not able to pick up milk on the scheduled pickup day of the week, Owner shall arrange for a friend or family member to pickup their milk share(s), or arrange in advance with Agister to receive their milk share(s) in an alternative form (frozen) which may incur special service fees. If Owner does not pick up milk within one (1) day after the scheduled date and does not request any alternative pickup options, Agister may dispense with milk as permitted by law.
4. Duties of Agister. In addition to any other duties provided in this Agreement, Agister shall have the following duties in connection with the boarding of the Herd:
- A. To board the Herd at the Dairy Facilities and to provide any other reasonable services required by this Agreement or requested by the Herd Owners;
 - B. To maintain and care for the Herd using sound practices in accordance with the herd health protocols attached with this Agreement (**Exhibit A**);
 - C. To manage the Herd for and on behalf of the Herd Owners and to acquire and dispose of cows as shall be necessary to maintain the health and productive capacity of the Herd;
 - D. To pay all expenses for maintaining and caring for the Herd and managing milk production, including but not limited to costs for organic feed and hay, bedding, mineral supplements, milking supplies, breeding and calving, pasture management and daily rotations, and veterinary expenses;
 - E. To provide reports to Owner as shall be appropriate to apprise Owner of the condition of the Herd and any other information that will be useful to Owner regarding the health and performance of the Herd.
5. Special Services. Owner may request that Agister perform special services with the Owners raw milk share(s), there may be additional fees for these services. Owner shall advise Agister at least 48 hours in advance of weekly share pickup if these special services are required.
6. No Sales of Milk. Under no circumstances shall either Agister or Owner transfer the ownership or possession of any raw milk production from the Herd in any transaction that would constitute a sale of milk in violation of the statutes of the State of Illinois. Agister and Owner each agrees to indemnify and hold the other harmless for any liability, loss, damage, expense or penalties that are incurred by the other because of a breach of the provisions of this **Paragraph** by the indemnifying party.

7. Lien for Charges; Enforcement.

- A. Owner shall timely pay the boarding charges and other charges contemplated by this Agreement. Agister shall have, and Owner hereby grants to Agister, a lien and security interest in Owner's undivided interest of the Herd for all unpaid purchase price, boarding and other special services fees that this Agreement obligates Owner to pay.
- B. Owner agrees that in the event the payments for which Owner is liable are not paid within the time provided herein or otherwise agreed between Agister and Owner, Agister may dispose of Owner's interest in the Herd for any and all unpaid charges at public or private sale, with or without public notice, ten (10) days after having notified Owner in writing of Agister's intent to act, and apply the net proceeds, if any, to Owner's debt. In the alternative, Agister may acquire Owner's interest in the Herd in satisfaction of the debt.

8. Ownership; Transfer.

- A. Owner specifically represents and warrants to Agister that Owner has acquired his/her interest in the Herd for Owner's own use and benefit.
- B. Owner shall at no time and under no circumstance sell or exchange any of Owner's interest in the milk production from the Herd and shall at all times use the Owner's share of milk production for Owner's own use. Because all of the Herd Agreements are interdependent and cannot function without all interests in the Herd being covered by them, notwithstanding the foregoing, if any court orders a transfer or assignment of an interest, the Court is requested to make the transfer or assignment subject to the terms of the Herd Agreement.

9. Owner's Assumption of Risk and Waiver of Claims.

- A. Owner understands and acknowledges that raw milk may contain harmful pathogens and that its consumption is not recommended by the Centers for Disease Control (CDC), the Food and Drug Administration (FDA), or the Illinois Department of Public Health (IDPH). Owner understands that Agister's dairy is not regulated by the State of Illinois and is not subject to inspection by IDPH. Owner agrees that Owner will educate Owner's family members about the risks associated with the consumption of raw milk and with the improper storage of raw milk and releases Agister from any responsibility for education of Owner's family members.
- B. Owner understands and acknowledges that there are or may be risks of harm encountered in visiting or entering Agister's premises or any other premises where the Herd is located including

but not limited to visiting and/or interacting with the Herd and/or other animals that may be found in the vicinity of the Herd.

- C. By signing this Agreement, Owner hereby knowingly and voluntarily assumes the risk of any and all such harm and also hereby waives any and all right to make, file, or pursue any claims, demands, suits, actions, causes of action, damages, etc. against the other Herd Owners, Agister or any of Agister's agents, employees, representatives, principals, lessors, lessees, vendors, contractors, subcontractors, etc. that arise out of or in any way relates to any injury, illness, death, loss or damage caused, in whole or in part, by (1) the handling or consumption of raw milk produced by the Herd, and/or (2) visiting or entering upon Agister's premises or any premises where the Herd is located.
- D. In addition, Owner hereby waives any and all right to make, file, or pursue any claims, demands, suits, actions, causes of action, damages, etc. against the other Herd Owners, Agister or any of Agister's agents, employees, representatives, principals, lessors, lessees, vendors, contractors, subcontractors, etc. that arise out of or in any way relates to any injury, illness, death, loss or damage to the Herd caused, in whole or in part, by the care and/or boarding of the Herd by Agister.

10. Indemnification.

- A. Owner shall indemnify and defend Agister and all other Herd Owners and shall hold harmless Agister and all other Herd Owners against any and all demands, claims, suits, actions, causes of action, etc. for any injury, illness, death, loss or damage that arises out of or relate in any way to (1) any handling, consumption, or use of any milk produced by the Herd after it has been retrieved or otherwise obtained by Owner, (2) the visit of any person that Owner brings to or causes to visit Agister's premises or any premises where the Herd is located, and/or (3) any failure on the part of Owner to comply with the terms of this Agreement or with any rules, procedures, directions, orders, etc. of Agister that are authorized or permitted by this Agreement.
- B. Owner shall also indemnify, defend, and hold harmless Agister's agents, employees, representatives, principals, lessors, lessees, vendors, contractors, subcontractors, etc. against any and all demands, claims, suits, actions, causes of action, etc. for any injury, illness, death, loss or damage that arises out of or relate in any way to (1) any handling, consumption, or use of any milk produced by the Herd after it has been retrieved or otherwise obtained by Owner, (2)

the visit of any person that Owner brings to or causes to visit Agister's premises or any premises where the Herd is located, and/or (3) any failure on the part of Owner to comply with the terms of this Agreement or with any rules, procedures, directions, orders, etc. of Agister that are authorized or permitted by this Agreement.

- C. Agister shall indemnify, defend and hold harmless Herd Owners for any loss, death, injury, damage, liability or expense caused by any animal in the Herd, in which Owner has an interest, to the person or property of any third parties.

11. Claims. In the event that either party to this Agreement seeks to assert any claim against the other party for any reason in connection with this Agreement or the activities of the other party under it (other than a claim of nonpayment as contemplated by **Section 7** of this Agreement), the party asserting claim shall, within one hundred eighty (180) days of learning of the circumstances giving rise to the claim, reduce it to writing (stating the nature of the claim and amount of relief sought) and serve it on the other party. Any claim for liability under this Agreement not made in compliance with this **Paragraph** is waived.

12. Arbitration of Disputes. All disputes, claims, and questions regarding the rights and obligations of the parties under the terms of this Agreement (other than a claim of nonpayment as contemplated by **Section 7** of this Agreement) are subject to arbitration. Either party may serve on the other a written demand for arbitration within one hundred eighty (180) days after the dispute first arises. Any demand for arbitration of a claim served in compliance with **Paragraph 11** above shall be contained within and served with the written claim. The arbitration shall be conducted by three arbitrators (one appointed by Agister, one by Owner, and a third by the other two arbitrators) in accordance with the rules of commercial arbitration of the American Arbitration Association. Each party shall pay its own costs in connection with the arbitration, and costs of the arbitrators shall be paid in equal amounts by the parties.

13. Effective Date and Duration. This Agreement shall be effective upon execution and shall continue in effect until terminated by either Agister or Owner pursuant to **Section 14** hereof.

14. Termination.

- A. This Agreement may be terminated by Agister upon thirty (30) days' written notice to Owner.
- B. This Agreement may be terminated by Owner upon thirty (30) days' written notice to Agister by Owner.
- C. Upon termination of this Agreement, Agister shall purchase Owner's shares at the price originally paid if this agreement has been in force for at least six (6) months.

15. Force Majeure. Notwithstanding anything to the contrary in this Agreement, neither Agister nor Owner shall be responsible for any delay or failure of its performance under this Agreement if the delay or failure is caused by any matter beyond the control of either party, including, but not limited to, government regulations, public emergency or necessity; legal restrictions; labor disputes and actions related thereto; riot, war, or insurrection; and windstorms, rainstorms, snowstorms, floods or other acts of God.

16. Miscellaneous.

- A. Construction. When necessary for proper construction, the masculine of any word used in this Agreement shall include the feminine and neuter gender; the singular, the plural; and vice versa.
- B. Governing Law. This Agreement is being executed and delivered in the **State of Illinois** and shall be construed in accordance with and governed by the laws of such **state**.
- C. Severability. If, for any reason, any provision or provisions of this Agreement are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation or affect those portions of this Agreement which are valid.
- D. Notice. Any notice required by this Agreement shall be in writing and served by registered mail (return receipt requested) to the recipient's address shown on this Agreement or contained in Agister's business records. Receipt shall be effective as of the day after mailing
- E. Captions. The captions of sections and subsections contained in this Agreement are for convenience only and shall not control or affect the meaning or construction of any of the provisions of this Agreement.
- F. Entire Agreement. This Agreement constitutes the entire contract between the parties and may not be modified or amended except in writing signed by both parties.
- G. Waiver. No assent or waiver, expressed or implied, to any breach of any one or more of the covenants or agreements hereof shall be deemed or taken to be a waiver of any succeeding breach.
- H. Incorporation by Reference. All schedules, exhibits and attachments referred to in this Agreement are incorporated by reference and made a part of this Agreement.
- I. Assignment. This Agreement and each of its provisions shall inure to the benefit of and be binding upon the parties, their successors and permitted assigns.

Farm Operating Standards and Herd Health Protocols

Cliff McConville (known as “Agister”), hereby agrees to operate All Grass Farms, LLC, dba Barrington Natural Farms, with dairy facilities located at 18N681 Western Avenue, Carpentersville, Illinois 60010 (the “Farm”), under the current “Farm Operating Standards and Herd Health Protocols”, in relation to the “Bovine Agistment Agreement” entered into by individuals (the “Herd Owner(s)”) with the Farm. The current version as of the execution of this document is as follows but is subject to change:

Agister agrees to the following:

1. Follow the testing and resulting actions as recommended in the “Recommended Testing Standards” (**Table 1**).
2. Dairy animals shall be kept clean and milked in clean stables/parlors free of rodents; flies and manure shall be controlled; and the Farm shall not be littered with dead livestock or have persistent standing water or mud near milking areas. Milk shall never be produced for consumption from any dairy animals with any apparent illness or from any drug-treated animals. Said milk shall be discarded during the withdrawal period specified by the drug’s manufacturer and milk shall be tested and found to be antibiotic-free before returning to milk line.
3. Milk shall be packaged in either glass containers or new plastic containers supplied by or paid for by the Herd Owner.
4. Dairy animals shall be fed a predominantly pasture- and/or hay- or forage-based diet depending on climate conditions.
5. The Farm shall, upon request, advise Herd Owner concerning the appropriate handling of milk produced by animals boarded at the Farm.

Table 1 - Recommended Testing Standards

Milk Test Name/Frequency	Notes	Trigger Levels	Stop Level	Resulting Action
CMT (California Mastitis Test) Daily	Provides indication of presence of somatic cell counts in milk which may indicate mastitis infection	Positive Reaction		Early indication of mastitis – if milk is visibly discolored or chunky, stop allowing access until milk is clear. Check cow temperature and look for other symptoms to determine if treatment is necessary
SPC (Standard Plate Count) 6x/yr.	Measures the sanitary level of milking equipment and procedures	20,000	100,000	Retest - Then try to isolate problem, and retest. If higher than 100,000 then, stop allowing access until lower test is achieved.
Coliform/E. Coli 6x/yr.	Measures the cold living non-harmful bacteria. Another test showing equipment and procedure cleanliness	10	100	Retest - Then try to isolate problem, and retest. If higher than 100 then stop allowing access until lower test level is achieved.
SCC (Somatic Cell Count) 6x/yr.	Measurement of Mastitis levels in the herd.	500,000	750,000	Retest - Then try to isolate problem, and retest. If higher than 750,000 then, stop allowing access until lower test is achieved.
Salmonella spp.	Pathogen. Once per year unless problem noted	Any	Any	Stop access immediately. Contact immediately to discard. Retest.
Listeria monocytogenes	Pathogen. Once per year unless problem noted	Any	Any	Stop access immediately. Contact immediately to discard. Retest.
Staph. Aureus	Pathogen. Once per year unless problem noted.	Any	Any	Stop access immediately. Contact immediately to discard. Retest.
E. Coli 0157 - H7	Pathogen. Once per year unless problem noted	Any	Any	Stop access immediately. Contact immediately to discard. Retest.
Johnes	Annually	Any	Any	Sell positive cows and retest annually
Coliform Water Test 1x/2 years	1 time every two years	10	100	Stop access immediately. Contact immediately to discard. Retest.
